BUILDING OUR FUTURE

A HOME FOR TORAH.

A HOME FOR COMMUNITY.

A HOME FOR GENERATIONS.

BUILDING THE FUTURE OF THE KOLLEL

For more than 30 years, the Cincinnati Community Kollel has been at the heart of building the vibrant Torah community that exists today.

Through Torah learning, community programming, and personal guidance, the Kollel has inspired individuals, strengthened families, and helped shape Jewish life in Cincinnati.

Young families join the Cincinnati Community Kollel to learn, teach, and grow. Many choose to make Cincinnati their home, becoming rebbeim, educators, and community leaders who continue building the community for generations to come.

This new building will provide the space for the Kollel to continue its mission of strengthening Torah, inspiring Jewish growth, and building a vibrant Jewish future for Cincinnati.

This is more than a building.

It's an investment in Torah, community, and the future of Jewish Cincinnati.

STRENGTHENING TORAH

Every day, the Kollel is filled with learning.

Classes.

Chavrusas.

Questions.

Growth.

The new Beis Medrash and learning spaces will allow more people to experience the depth, warmth, and inspiration that have defined the Kollel for decades.

BUILDING COMMUNITY

The Kollel is more than a place to learn.
It is where the community comes together.

Where Torah inspires.

Where relationships grow.

Where community members continue to learn, grow, and connect.

Where someone walks through the door for the first time and discovers a lifelong connection to Torah and the Jewish community.

Where shiurim, community programming, and outreach come together every day.

The new building will ensure
the Kollel can continue its mission:

strengthening Torah and building a vibrant community for generations to come.

ONE BUILDING.
ONE MISSION.

Upstairs, Torah is learned.
Downstairs, Torah is shared.

Together, they'll create one vibrant Jewish community.

Every room in this building serves the same purpose:

To strengthen Torah.

To inspire growth.

To build the future of
Jewish Cincinnati.
